

# West Suburban Water Polo Club

## *Player Agreement*

- 1) I agree to attend as many practices as possible, when not on family vacation, job commitments and other major events.
- 2) I agree to get to practice on time, commit myself to hours of hard work, and willingly contribute in setup and takedown.
- 3) I agree that I will always conduct myself to the highest standards of sportsmanship and class.
- 4) When on trips, I agree to obey all chaperones, respect them and thank them for their support.
- 5) I agree that I will treat my teammates with respect at all times. I will encourage them and do my best to help the team through whatever challenges we face.
- 6) When on trips, I agree to follow curfew rules. I also agree to follow all team guidelines of timed check-ins, hotel rules, staying in the proper area, and so on.
- 7) I understand that violation of team rules as stated by the coaches will result in not playing, as determined by the coaches, even though I have paid for the trip. I understand that major violations of team policy (drug or alcohol use, etc.) will result in my being sent home without refund and any additional expense to be paid by my family.
- 8) I understand that it take a lot of organization to pull off the trips and that there will be challenges beyond our control. I will stay flexible, lead and help.
- 9) I understand that my High School Athletic Code remains in effect all year, and violation would not only result in suspension from club play, but also from school play next year.
- 10) I understand that my actions reflect upon my school, Naperville Water Polo, Midwest water polo, water polo players in general, and my family.
- 11) During the trip, I will always communicate with the coaches directly where I am going, with whom and when I'll return. Athletes will always travel in groups or with a teammate.
