*All require a USA Water Polo Membership (bronze or higher)*

## **Midwest Middle School Championships (MMSC)**

October 5-6 | Munster, Indiana

These games are geared towards U14 athletes, but higher level U12 athletes are encouraged to register as well.

Girls will play other all-girl teams from the Midwest while trying to qualify for Champion's Cup - a national tournament being held locally at FMC from November 8-10. Girls registering for this team should be prepared to play at MMSC as well as Champions Cup. These games are the only all-girl water polo opportunities this season.

Boys will play other all-boy teams from the Midwest but unlike the girls, we will not be trying to qualify for Champion's Cup. These games may be the only all-boy water polo opportunities this season.

Register at [www.wswpc.com](http://www.wswpc.com).

## **Olympic Development Program Camps (ODP)**

These camps are designed for athletes wishing to be part of the Midwest Zone team. While they are considered try-outs, they are also outstanding training opportunities. Athletes who are selected for the zone team will have additional trainings and move onto play a regional tournament in Dallas, Texas. Athletes must attend at least one camp weekend to be considered for the zone team, but can attend multiple if they'd like. Register online through your USA Water Polo account.
